Rob's Korner

We expect 2013 to be another exciting year at K-Dental as we bring you many new and innovative products from the industries top names. We are proud to offer a wide selection of factory authorized products and services to your practice at very competitive prices. Rest assured that products purchased from an **authorized distributor** are fully **compliant with Health Canada regulations.**

In the coming weeks we will be launching an updated feature-rich ecommerce site. The new web store will provide greater flexibility in order management. Its advanced customer orientated features will save you valuable time and resources. Stay tuned for our official launch date!

Welcome 2013

I would like to take a moment to thank you for your loyal support and patronage. We truly appreciate your support of K-Dental; a family owned and operated Canadian company now in its 36th year of operation. As nature turns silvery white everyone at "K" would like to wish you and your family a happy and warm winter!

Sincerely,
Robert Kainz
President, K-Dental Inc.

MIDWEST® RDH Freedom™ Cordless Prophy System

16109	Basic Kit	**$784.00**
46350	Premium Kit	**$1,225.00**

The new Midwest® RDH® Freedom Hygienist Handpiece is a cordless handpiece that can polish teeth all day on one charge. The cordless system includes a wireless foot pedal for flexibility and portability and a unique Disposable Prophy Angle (DPA) designed to allow all day battery life, provide consistent performance and eliminate one of the major reasons for handpiece repairs today: broken DPA shafts. The next generation of Midwest RDH Hygienist Handpieces addresses the #1 concern Hygienists have with their low speed handpieces today, which is dealing with cord drag.

La nouvelle Midwest ® RDH ® Freedom hygiéniste pièce à main est une pièce à main sans fil qui peut polir les dents toute la journée sur une seule charge. Le système sans fil comprend une pédale sans fil pour la flexibilité et la portabilité et un unique angle Prophy jetables (DPA) conçu pour permettre à toute la vie de la batterie jour, des performances constantes et éliminer l'une des principales raisons pour les réparations de pièces à main aujourd'hui: arbres cassés DPA. La prochaine génération de pièces à main Midwest hygiéniste RDH répond à la préoccupation n ° 1 des hygiénistes ont avec leurs pièces à main basse vitesse aujourd'hui, qui s'occupe de glisser le cordon.

Now with **Tap-On™ Technology**

Cavitron® plus: **Cavitron® *jet*plus:**

For dental professionals striving for greater comfort and control,

Only Cavitron® systems deliver NEW Tap-On™ Technology — the next big step in ultrasonic scaling.

Cavitron® Plus and JET Plus—Redesigned with ergonomics and performance in mind

- *NEW* **Tap-On™ Technology** improves efficiency and is designed to reduce hygienist leg strain
- A single tap activates or deactivates scaling or air polishing, allowing you to rest your foot during the procedure
- *NEW* prophy mode auto cycles alternate between air polish and rinse without a need to touch the pedal*
- Additional power options enable quick removal of tenacious calculus
- More precise water control for improved lavage

There's only one Cavitron®.

DOES YOUR FLOWABLE ONLY GIVE YOU ½ A RESTORATION?

GrandioSO

Flow and Heavy Flow

The first flowable composites that are strong enough for occlusal surfaces of class I and II restorations.

81% and 83% filled means up to 50% more fillers than weaker regular flowable composites. The new universal GrandioSO Flows give you the high wear resistance only achieved by modern universal composites.

Carestream DENTAL

Industry-Leading Image Quality

THE RVG 6500 SYSTEM

The RVG 6500 System features the latest innovations in digital radiography-while still delivering the highest image resolution (20 lp/mm). You can also acquire and diagnose images on an iPad, without the need for extra monitors and rewiring. And, since it's Wi-Fi enabled, you can also keep your operatories cable-free. The result: faster, better mobile performance with no loss in image quality.

THE RVG 6100 SYSTEM

Provides the high resolution you need for complex examinations and to make diagnoses quickly and confidently – helping to ensure outstanding quality of patient care. The RVG 6100 System captures and analyzes dental radiographic images of truly exceptional resolution greater than 20 lp/mm in a super-fast 2.14 seconds.

THE CS 7600 SYSTEM

Setting a new standard in dental imaging, the CS 7600 goes beyond the essentials of top performance. Fast, compact, and delivering consistently high-quality results, the system provides everything you'd expect a high performance intraoral plate system to offer and much more. Using our exclusive Scan and Go technology, the system automates tasks and eliminates the risk of mistakes to enhance productivity and efficiency.

The Canary System by Quantum Dental Technologies

Find Decay on any surface...

even around Resorations.

Features

✓ **DETECTS TOOTH DECAY** along the margins of restorations, including amalgam and composite resins.

✓ **DETECTS LESIONS** up to 5 mm beneath the tooth surface which don't appear on radiographic images or by visual and explorer detection methods.

✓ **FINDS DECAY** on all tooth surfaces including the interproximal areas.

✓ **DETECTS CARIES** beneath fissure sealants.

✓ **DUAL FUNCTION!** Early caries detection and high-quality intraoral camera!

✓ **DETECTS CARIOUS LESIONS** much earlier than any x-ray allowing tooth structure to be preserved or remineralized and invasive procedures avoided.

Call to arrange an in office demonstration.

The Canary System is highly accurate since it measures the crystalline structure of the tooth and not the bacteria.

The Canary System is the **winner of the 2010 National Instruments' Graphical System Design and Achievement Award** in the Medical Device Category
